

NAME:

BLOCK:

**- CENTRAL HISTORICAL QUESTION(S) -**  
**WHAT IS THE AGE OF NEW IMPERIALISM?**

**FEATURED BELOW:** *The Congress of Vienna by Jean-Baptiste Isabey, (1819). The congress was actually a series of face-to-face meetings between colonial powers. It served to divide and appropriate imperial holdings.*

**LESSON OBJECTIVE(S)**

- 1). **EXPLAIN** imperialism
- 2.) **DIFFERENTIATE** between 'Old' & 'New' Imperialism

**PART I: WARM UP**

**DIRECTIONS:** Respond to the Warm Up question. Make note of any meaningful comment in the following mini-discussion.

---

---

---

---

**PART II: IMAGES OF OLD & NEW IMPERIALISM**

DIRECTIONS: You and your partner have been provided either images of Old Imperialism or New Imperialism. In the corresponding space below in the Venn diagram, record what you believe to be key characteristics of your assigned type of imperialism. The primary hope here is to come to a solid understanding of the various similarities and (more importantly) *differences* between the nature of 'Old imperialism' and 'New' imperialism.

## QUIZ ANNOUNCEMENT

Next FRIDAY, MARCH 4<sup>TH</sup>, 2016 we will have a quiz on the following terms. We will first take this quiz via socrative.com and then again on Friday for a submitted grade.

You will have the opportunity to choose between your most recent quiz grade (on England's Industrial Revolution & the new Economic Ideologies from before break) and the grade you receive on this quiz.

Both are worth the same (10 points, the equivalent of one HW grade)

The following terms will be covered in our mini-lectures and HW textbook readings:

*Imperialism*

*New Imperialism*

*Ethnocentrism*

*Nationalism*

*Social Darwinism*

*Scientific Racism*

*White Man's Burden*

*British East India Company*

*The Sepoy Revolt / Rebellion or First Indian War of Independence*

*The British Raj*
